HERITAGE FLUSH SASH

HERITAGE FLUSH  
SCULPTURED  
& CHAMFERED

## HERITAGE WINDOW COLLECTION

When it comes to selecting the right products to enhance and protect your home, you want to be sure you're making the right choice. Beautiful, stylish, expertly made, our PVC-U Flush, Sculptured and Chamfered Sash windows and doors strike the perfect balance between energy efficiency, security and design.

SO WHICH IS THE RIGHT FIT FOR YOUR HOME?

### FLUSH SASH

Flush casement windows are characterised by openers that close into the frame and finish flush with the face of the window to replicate timber style windows.

### SCULPTURED SASH

Sculptured Sash windows feature outward opening sashes, which stand proud of the face of the window frame and are the more typical style found in houses today.

### CHAMFERED SASH

Similar to the Sculptured Sash window, the Chamfered features outward opening sashes, which stand proud of the face of the window frame and looks sharp yet subtle.

# HERITAGE

## WINDOW COLLECTION

BY DECEUNINCK

## STYLE

The Heritage Window and Door Collection combines the elegance and styling of traditional timber windows with all the benefits of PVC. They are virtually maintenance free, keeping the warmth in and unwelcome visitors out..

The collection is ideal for period properties and for those who want to add or restore character to their homes. With unique, unrivalled, aesthetics and sympathetic symmetrical design, a Heritage window or door will give a property perfect balance and harmony.

## SECURITY

There's no compromise when it comes to security. The bespoke locking keep has a useful night vent locking position and also helps to achieve enhanced security accreditation PAS24, a British Standard all of our Heritage products have achieved. Furthermore, all Heritage windows and doors can carry the Secured By Design badge of approval. Secured By Design is the a national UK crime prevention initiative, which helps protect you and your property for complete peace of mind.

Our wide range of modern, contemporary and period style windows incorporate the latest built-in safety features, including internal glazing beads and multi point locking systems.

To provide enhanced resistance to forced entry our windows can be fitted with a hinge protector device between the frame and the sash opener. For doors the latest anti-bump, anti-snap, key locking cylinders can also be installed to further enhance performance.

# What makes our windows so unique?

## PERFORMANCE

To keep out the wind and rain we use our patented high performance, multifunctional weatherseals. The airtight seal this creates helps to maintain your comfort inside your home.

The Flush Sash dual seal is exceptionally watertight, with the added benefit of concealing any hardware. Any water that has found its way inside is quickly evacuated due to the intelligently designed integral drainage gutter.

## CONSERVATION

Our Heritage Flush and Sculptured Sash windows look great in any surrounding, from country cottages to modern townhouses. Their subtle charm and elegance will transform your home.

If you live in a Conservation Area, home improvements such as replacing your windows and doors will require planning consent as there are strict guidelines to ensure that architectural features are preserved.

We have designed the Heritage Window Collection with this in mind; replicating the appearance and style of traditional timber windows with features such as our authentic Wood Grain Finish, Monkey Tail Handles and Georgian Bar options. However, you should always obtain consent from a planning/conservation officer before proceeding with an installation.

## HERITAGE WINDOW COLLECTION

**Flush**

### FLUSH SASH WINDOW

Designed to replicate the appearance of timber, Flush Sash windows are distinguished by sashes that close into the frame and finish flush with the face of the window. Flush Sash windows typically have frames that appear the same width, known as 'equal sightlines' this look is achieved using dummy sashes, something that undoubtedly improves the overall appearance of your property.

## HERITAGE WINDOW COLLECTION

### SCULPTURED & CHAMFERED SASH WINDOW

Sculptured and Chamfered Sash windows feature outward opening sashes which stand proud of the face of the window frame and are the more typical style used in homes you see today. For that period property look, both Sculptured and Chamfered Sash windows can also feature a dummy sash. This simple but effective upgrade to achieve 'equal sightlines' can really enhance the beauty of your home. See Page 42.

FLUSH SASH

BY DECEUNINCK

Heritage Flush Sash windows look great in any surrounding; modern townhouse or country cottage. They will retain their elegance while still functioning as a high quality window for many years to come.

### **Super Efficient**

Compared with aluminium or wood, PVC-U windows are low maintenance, have better insulation values and are able to reduce energy and heating costs.

### **Perfect for Conservation**

Flush external contours are in keeping with period properties and also meet the requirements of most conservation area officers. \*Check with your planning/conservation officer.

### **Sound-Proof**

Glazing options to maximise energy efficiency and/or sound proofing.

### **Safe and Secure**

For total peace of mind, our Heritage Flush Sash windows come with multi-point locking as standard.

## CHAMFERED SASH

BY DECEUNINCK

The beautiful Chamfered shape adds a stylish elegance to both windows and doors, inside and out. Featuring outward opening sashes, which stand proud of the face of the window frame, the styling is sharp yet subtle.

The Chamfered contours integrate easily in all types of architecture and design with a range of colours and finishes that ensure you can find the perfect window for your home.

- ✓ Smooth and stylish frames
- ✓ Traditional butt or mitred transom / mullion joint
- ✓ Exquisite Georgian bar option
- ✓ Traditional ironmongery options
- ✓ High energy rating and weather performance
- ✓ Enhanced security PAS 24 Approved
- ✓ Double or triple glazing available
- ✓ Low maintenance PVC-U frames
- ✓ Available in a range of hand-picked Heritage woodgrain finishes

# HERITAGE

DECORATIVE HORN

BY DECEUNINCK

The addition of a Decorative Horn detail to our Heritage window can recreate the look of a traditional box sash, but with modern acoustic and weather performance.

The Heritage Sculptured Decorative Horn is ideal for those who wish to improve the appearance of their period home.

Its pure authentic 'run-through' style enhances the window, decorating it with a finishing touch that's almost seamless.

Despite its intricate design the unique two part moulding is very robust, borrowing its core design from our tried and tested Flush Sash mechanical joint.

Available from stock in all the Heritage Sculptured colours as pre-prepared carefully assembled kits, the new Decorative Horn completes the Heritage range.

## WINDOW COLLECTION

BY DECEUNINCK

Smooth contours and stunning features; this elegant range of Heritage doors and windows complements any shape or size of property. Combining the traditional look with the latest technology, its simplistic design gives a property perfect balance and harmony.

### OUTSTANDING INSULATION

With its unique high performance weatherseal and clever internal design, the Heritage door collection provides superb thermal insulation and sound proofing (with the correct glazing configuration). Designed for compliance with both today's and tomorrow's Building Regulations, the Heritage Window Collection offers long lasting benefits.

### PROTECTION FROM ROGUE ELEMENTS

It's not just the weathering properties that make the Heritage Window Collection an excellent choice. Its core design is compatible with the latest security specific hardware, making it a truly robust proposition to deter any game intruder. For peace of mind the complete system comes fully accredited to PAS24, the enhanced security standard.

## WINDOW COLLECTION

BY DECEUNINCK

Your family is your world and protecting them is an instinctive part of our nature. Protecting our material possessions is also important, so its good to know feeling safe and secure in our homes is as simple as choosing the right doors and windows.

Deceuninck's superior build quality combined with high security hardware gives you that peace of mind.

Every effort has been made to ensure your new windows and doors keep both your home secure and any undesirable element out. To support this claim the Heritage range of products has achieved the following accreditation:

- PAS 24 Enhanced security performance requirements for doorsets and windows in the UK. Doorsets and windows intended to offer a level of security suitable for dwellings and other buildings exposed to comparable risk

**Secured by Design**

# Heritage Glass Options

There are a wide range of glass effects from which you can choose to closely match the pattern you prefer. All our Heritage glass options are available toughened or laminated for your security and safety.

## Leaded and Georgian

The design of your Heritage windows and doors have a big impact on the overall appearance of your home. Whatever the age of your property, the original windows and doors were designed to harmonise with it. So it's important to consider what will look right for the building when you replace them. The right design and look can preserve or enhance the value of your home.

Square Leaded

Diamond Leaded

Internal Georgian Bars

External Georgian Bars

## Sightlines

Good window design extends to the symmetry of window sightlines. Equal sightlines add balance and harmony - creating the perfect stylish finish.

Equal Sightlines

Unequal Sightlines

## HERITAGE WINDOW COLLECTION

### Deceuninck Registered Installers

The Heritage Window Collection is only available through our Registered Installers. They will be able to advise you on the choice of designs and accessories which will meet your requirements. Looking at colour samples will help you finalise your colour choice, and whether you are opting for a smooth or woodgrain finish. Also think about whether you would like the inside of your windows to be the same colour as the outside or whether to opt for white or oak inside to blend in with your internal decor.

### On-site survey

Your Deceuninck Registered Installer will arrange a site survey at a mutually convenient time. This will allow for precise measurements to be taken as well as allowing you to confirm your choice of style and design to ensure that your bespoke windows are made to your satisfaction. Please take the time to ask any questions at this point and to make sure you are happy with the final design.

### Processing your order

Your Deceuninck Registered Installer will keep in touch with you and let you know as soon as possible when your installation date will be. Between survey and installation\* you can sit back and relax whilst your bespoke windows are manufactured and quality tested to ensure they meet our rigorous standards.

\* You should always obtain consent from a planning/conservation officer before proceeding with an installation.

### Taking care of your home

Our Registered Installers are all expert craftsmen who will take care of your home and treat it with respect at all times. Removing existing windows and doors and replacing them with your stunning new ones will inevitably cause a certain amount of disruption. Your installer will always make sure any mess is kept to a minimum and that the doors and windows are fitted with the utmost skill and care. Packaging and waste will be removed and recycled where possible, leaving you to relax and enjoy your new beautiful windows, safe in the knowledge they're protected with a 10 year guarantee.
